Pilgrims.—

Arrangements in connection with the pilgrim season of 1903-1904.

General Department.
No. 5334

Bombay Castle,
10th October 1903.

Letter from the Government of India, Home Department (Sanitary—Plague), No. 1490, dated the 30th September 1903 :—

"With reference to the correspondence ending with your letter No. 1474, dated the 5th August 1903, I am directed to forward, for the information of the Governor in Council, a copy of the papers noted on the margin, regarding the pilgrimage to the Hejaz during the ensuing pilgrim season.

Telegram to the Secretary of State, No. 1387, dated the 10th September 1903.
Telegram from the Secretary of State, dated the 16th September 1903.
Home Department Notification No. 1485, dated the 30th September 1903.

"2. It will be seen that the Secretary of State has agreed to the proposals made by the Government of India that provincial camps for the preliminary observation of pilgrims should be abolished and that pilgrims should be permitted to proceed direct to the large camps at the ports of shipment. In accordance with this decision Bombay and Chittagong will be ports for the embarkation of pilgrims. The route *vid* Chittagong is intended for the convenience of pilgrims from Bengal, Burma and Assam and that *vid* Bombay for pilgrims from the rest of India (including Kashmir, Baluchistan and the North-West Frontier Province) and from beyond the border. I am to request that early arrangements may be made for opening an observation camp in the neighbourhood of Bombay (but in any case away from any area within which plague may be present) where intending pilgrims may be collected and where they may be detained under the careful superintendence of a commissioned medical officer for at least ten days and their wearing apparel, bedding, etc., disinfected. Passage tickets to the Hejaz should be sold only at the observation camp, and I am to request that the necessary steps may be taken to enforce this order and to make it known to shipping agents.

"3. I am also to request that, at the end of the pilgrim season, the Government of India may be furnished with a detailed report stating the arrangements made by the Government of Bombay for the despatch of pilgrims to the Hejaz and showing the effect of the present orders.

"4. With reference to paragraph 5 of your letter, I am to say that the Government of India are unable to agree to the proposal that only those pilgrims who can produce Rs. 50 over and above the cost of their tickets and food for the journey to Jeddah should be admitted to the observation camp. It is understood that the intention is to ensure that all departing pilgrims should be provided with the means of returning to India. The Government of India think, however, that Rs. 50 is not a sufficient sum to cover the incidental expenses of travel in the Hejaz and the cost of the return tickets. Moreover, they have consistently adhered to the principle that it is undesirable to take action which, by preventing the poorer classes from proceeding to the holy places, may be construed as interference with the discharge of a religious duty. For this reason they have decided to adhere to their previous refusal to insist on the purchase of return tickets and they are therefore reluctant to adopt the proposal now made by His Excellency the Governor in Council, which is made with a similar motive and would operate in a similar fashion.

"5. The Government of India agree with the Governor in Council that the system adopted by the Government of Bengal for the supply of steamer tickets to pilgrims may with advantage be brought into operation at the Bombay port of embarkation.

"6. In paragraph 26 of the report which accompanied your letter of the 5th August 1903, it was stated that the issue of sovereigns to the pilgrims had resulted in loss. I am to suggest that arrangements should be made in future for their issue from the Treasury at the authorised rate of exchange as appears to have been done at Karáchi."

Telegram from His Excellency the Viceroy to the Secretary of State for India, No. 1387, dated the 10th September 1903 :—

"Your telegram of 8th October last. Arrangements for approaching Hejaz pilgrimage. Reports accompanying our Sanitary Despatch of 10th September show system of provincial camps for preliminary observation of pilgrims is wholly ineffective. A large majority evade them and proceed to central camp direct. We think it impossible to prevent evasion without harsh measures. Accordingly we propose to allow direct access to large camps at two ports of shipment Bombay and Calcutta or Chittagong and enforce full observation and disinfection there on existing lines. We are quite satisfied that these precautions sufficient. We shall be obliged if Your Lordship will telegraph decision, as pilgrim season imminent."

Telegram from the Secretary of State for India to His Excellency the Viceroy, dated the 16th September 1903 :—

"Your telegram of 10th instant, pilgrimage. Modification of arrangements approved."

RESOLUTION.—A copy of the letter from the Government of India should be forwarded to the Departments concerned for information and guidance with reference to Government Resolution No. 4073, dated the 5th August 1903. The notification of the Government of India has been republished in the *Bombay Government Gazette*.

2. Copies of the notification should be forwarded to all District Officers, including Political Officers, with a request that wide publicity may be given to the orders of the Government of India. Copies of the notification should also be forwarded to the Commissioner of Police, Bombay, with a request that they may be distributed among the principal Mahomedans in Bombay. The Oriental Translator to Government should be requested to cause the notification to be translated into the Urdu language with the least possible delay and to forward the translation to the Superintendent, Government Central Press. The Superintendent should print it and supply copies to officers on indent. Officers are requested to lose no time in sending their indents to the Superintendent.

3. It has already been ordered that the Central Camp should be located at Pir Pao in the harbour of Bombay. The Commissioner of Police, Bombay, should arrange for the reception of pilgrims in Bombay and their despatch to the camp in communication with the Health Officer of the Port of Bombay and the Commissioner of Customs. After the pilgrims have undergone the prescribed period of detention in camp they should be taken direct on board, under arrangements to be made by the Commissioner of Customs, after all necessary precautions to prevent infection have been taken. Shed accommodation already exists at Pir Pao, and the requisite additions and alterations should be made without delay. The working and supervision of the camp should be entrusted to the Health Officer of the Port, the general control of the arrangements being under the Commissioner of Customs.

4. The arrangements ordered by the Government of India should be made known to shipping agents and pilgrim-brokers, and the attention of the latter should be invited to the direction contained in the notification of the Government of India that no passage tickets for the Hejaz shall be sold except at the place appointed for the detention of intending pilgrims under observation.

5. Early application should be made for sanction to establishments required, the Health Officer arranging with other Departments for such establishments as he may require through them.

6. At the end of the pilgrim season, a report should be submitted to Government with reference to paragraph 3 of the Government of India's letter.

7. A copy of this Resolution should be forwarded to the Government of India for information.

From,

Shahzadi Begam Sahib
Nawab Abdul Khair
Khan Saheb Dilerjang
Bahadur, First Class
Sardar, Saheb,

To,

H. C. Gibb Esquire,
~~Collector & Political Agent~~
Dharwar.

Sir,

I beg to present you
my most respectful compliments
& to submit the following lines
for favour of due consideration.

To go on a pilgrimage to
Mecca & Madina is regarded by a
Mahomedan,

Mahomedan as one of the high-
-est religious duties; not only this,
but that every man should do
so has been enjoined by our sacred
Koran.

I am now more than three
score: so it is now proper time
for me to go on a pilgrimage
to Mecca & Madina & perform the
necessary ceremonies there. Had my
son the deceased Nawab Abdul
Dader Khan sahed Dilerjang Baha-
dur, been alive he would have very
gladly sent me on the said pilgrim-
-age giving with me a retinue of
followers well becoming my social
status. But the decrees of fate must
be submitted to. I am glad to look
upon you now as standing in his place
and

and so I earnestly hope that you will be pleased to do what he would have done for me.

It is now nearly thirty five years since my husband, Nawab Abdul Khair Khan Saheb Dilerjang Bahadur, died. Since then I have been living with what monthly allowance the State has been pleased to grant me. During this period of time I have never troubled the State with any demand for expenses on my account.

The expenses that will have to be incurred on account of the said pilgrimage are as under:—

Rs 1400 on account of four persons namely, a maid servant, a cook & a male servant & a relative serving as a

Companion

companion and guide. I have been informed by experienced persons that each man will require at least Rs 350 for the purpose. This sum includes all sorts of expenditure such as rail way fare steamer fare etc.

Rs 1400 for personal expenses.

Rs 1000 for giving alms befitting my rank & position & for the performance of ~~subjects~~ rites in the name of my deceased husband & son.

At the time of my marriage the dowry to be paid to me was fixed at 22000 Ashrafi gold mohurs

Had my husband or son been alive he would have taken this thing into consideration and would

have

have gladly been ready to spend a decent sum on this occasion for me.

Lastly, therefore, making a fresh request that you will be good enough to consider all these things & sanction the calculated expenses for the said pilgrimage.

This information is obtained from persons who have actually been to Mecca & Madina from Lawang. The applicant wishes to take 3 servants & a relative with her. A female cook may serve both as a maid & a cook. A male servant & a relative seem necessary. The total charges on account of 3 persons would be Rs 900

It will be at the Asst political Agent's discretion to employ him, and possibly more suitable post might be found for him when the public Works programme is undertaken. But the applicant is clearly not a person who should be employed in any very Subordinate post, & it will be difficult to find one, suitable.
